Create Submission

Prototype Round 2

Title *

Give your submission a clear, descriptive title.

Description *

Describe your project, solution, or idea. You can use formatting and links.

Theme *

Select the theme that best fits your submission.

Snapshots

Upload images of your project (JPG, JPEG or PNG, up to 3MB each).

Upload Screenshots

Video URL *

Share a link to your product demo or pitch video.

Presentation *

Upload your pitch deck or slides (.key, .odp, .odt, .pdf, .pps, .ppt, .pptx). Max 50MB.

Upload File

Demo Link *

Share the link to your working demo or prototype.

Repository URL *

Share the link to your code repository (e.g. GitHub, Bitbucket).

Source Code *

Upload your source code (e.g. zip or apk). Max 50MB.

Upload File

Instructions to Run *

Add steps to run your project so reviewers can test it.

Custom Attachment

Upload any additional file (e.g. .zip, .7z, .rar)
